1:1 I believe that the Book of Jasher we have today is accurate. However, the Book of Jasher has a few big errors, and the Book of Jasher should not be used to claim it contradicts the Old Testament we have today. An example is that in the Book of Jasher, at times there are Spanish, French, Portuguese, and Italian names. This means that the Book of Jasher that we have today was added to. Several chapters in the middle of the Book of Jasher that involve stories about a King in Africa named Angeas and the people of Cyrus fighting against the Ancient Israelites most likely were added. The Book of Jasher uses Egypt and not Mizraim.

This was told to Prophet Adam and his wife after they were expelled from the Gardens of Eden.

1:14 Prophet Adam gave his sons Cain and Abel a possession in the land. Cain was a tiller of the ground and Abel was a keeper of sheep

1:16-21 Cain wanted a reason as to why he would go against his brother Abel. Abel also was taking some of the wool from Cain's part of the field that Cain had ploughed to make clothing for himself. Abel's flock ate some of the fruit when Abel's flock passed by Cain's portion of the land Prophet Adam gave to Cain went through the part of the field that Cain ploughed. Cain claimed that his brother Abel brought his animals on to the part of the field that was Cain's. Cain also claimed that his brother Abel was intentionally taking wool that was on Cain's portion of the land for himself. Abel would not compensate his brother Cain. Cain said he would kill his brother Abel for his flock passing through the part of the field that Cain had ploughed.

1:22-24 Abel responded that the Lord would punish him for murdering him, Cain got angry with his brother Abel’s response. This is the same as the Quran.

1:25 it is unlikely that Cain used the iron part of the tool he used for ploughing to kill his brother Abel. A plowshare would have to be modified to be used as a weapon. It is unlikely that Cain used a tool for ploughing to kill his brother Abel. There is a small possibility that Cain turned his tool that he used to kill Abel into a makeshift weapon. In the Book of Jubilees, Cain used a stone to kill Abel.

Japheth and Shem grew up and went in the ways of the Lord, in all that their

grandfather Prophet Methuselah and their father Prophet Noah taught them.
